Instructions

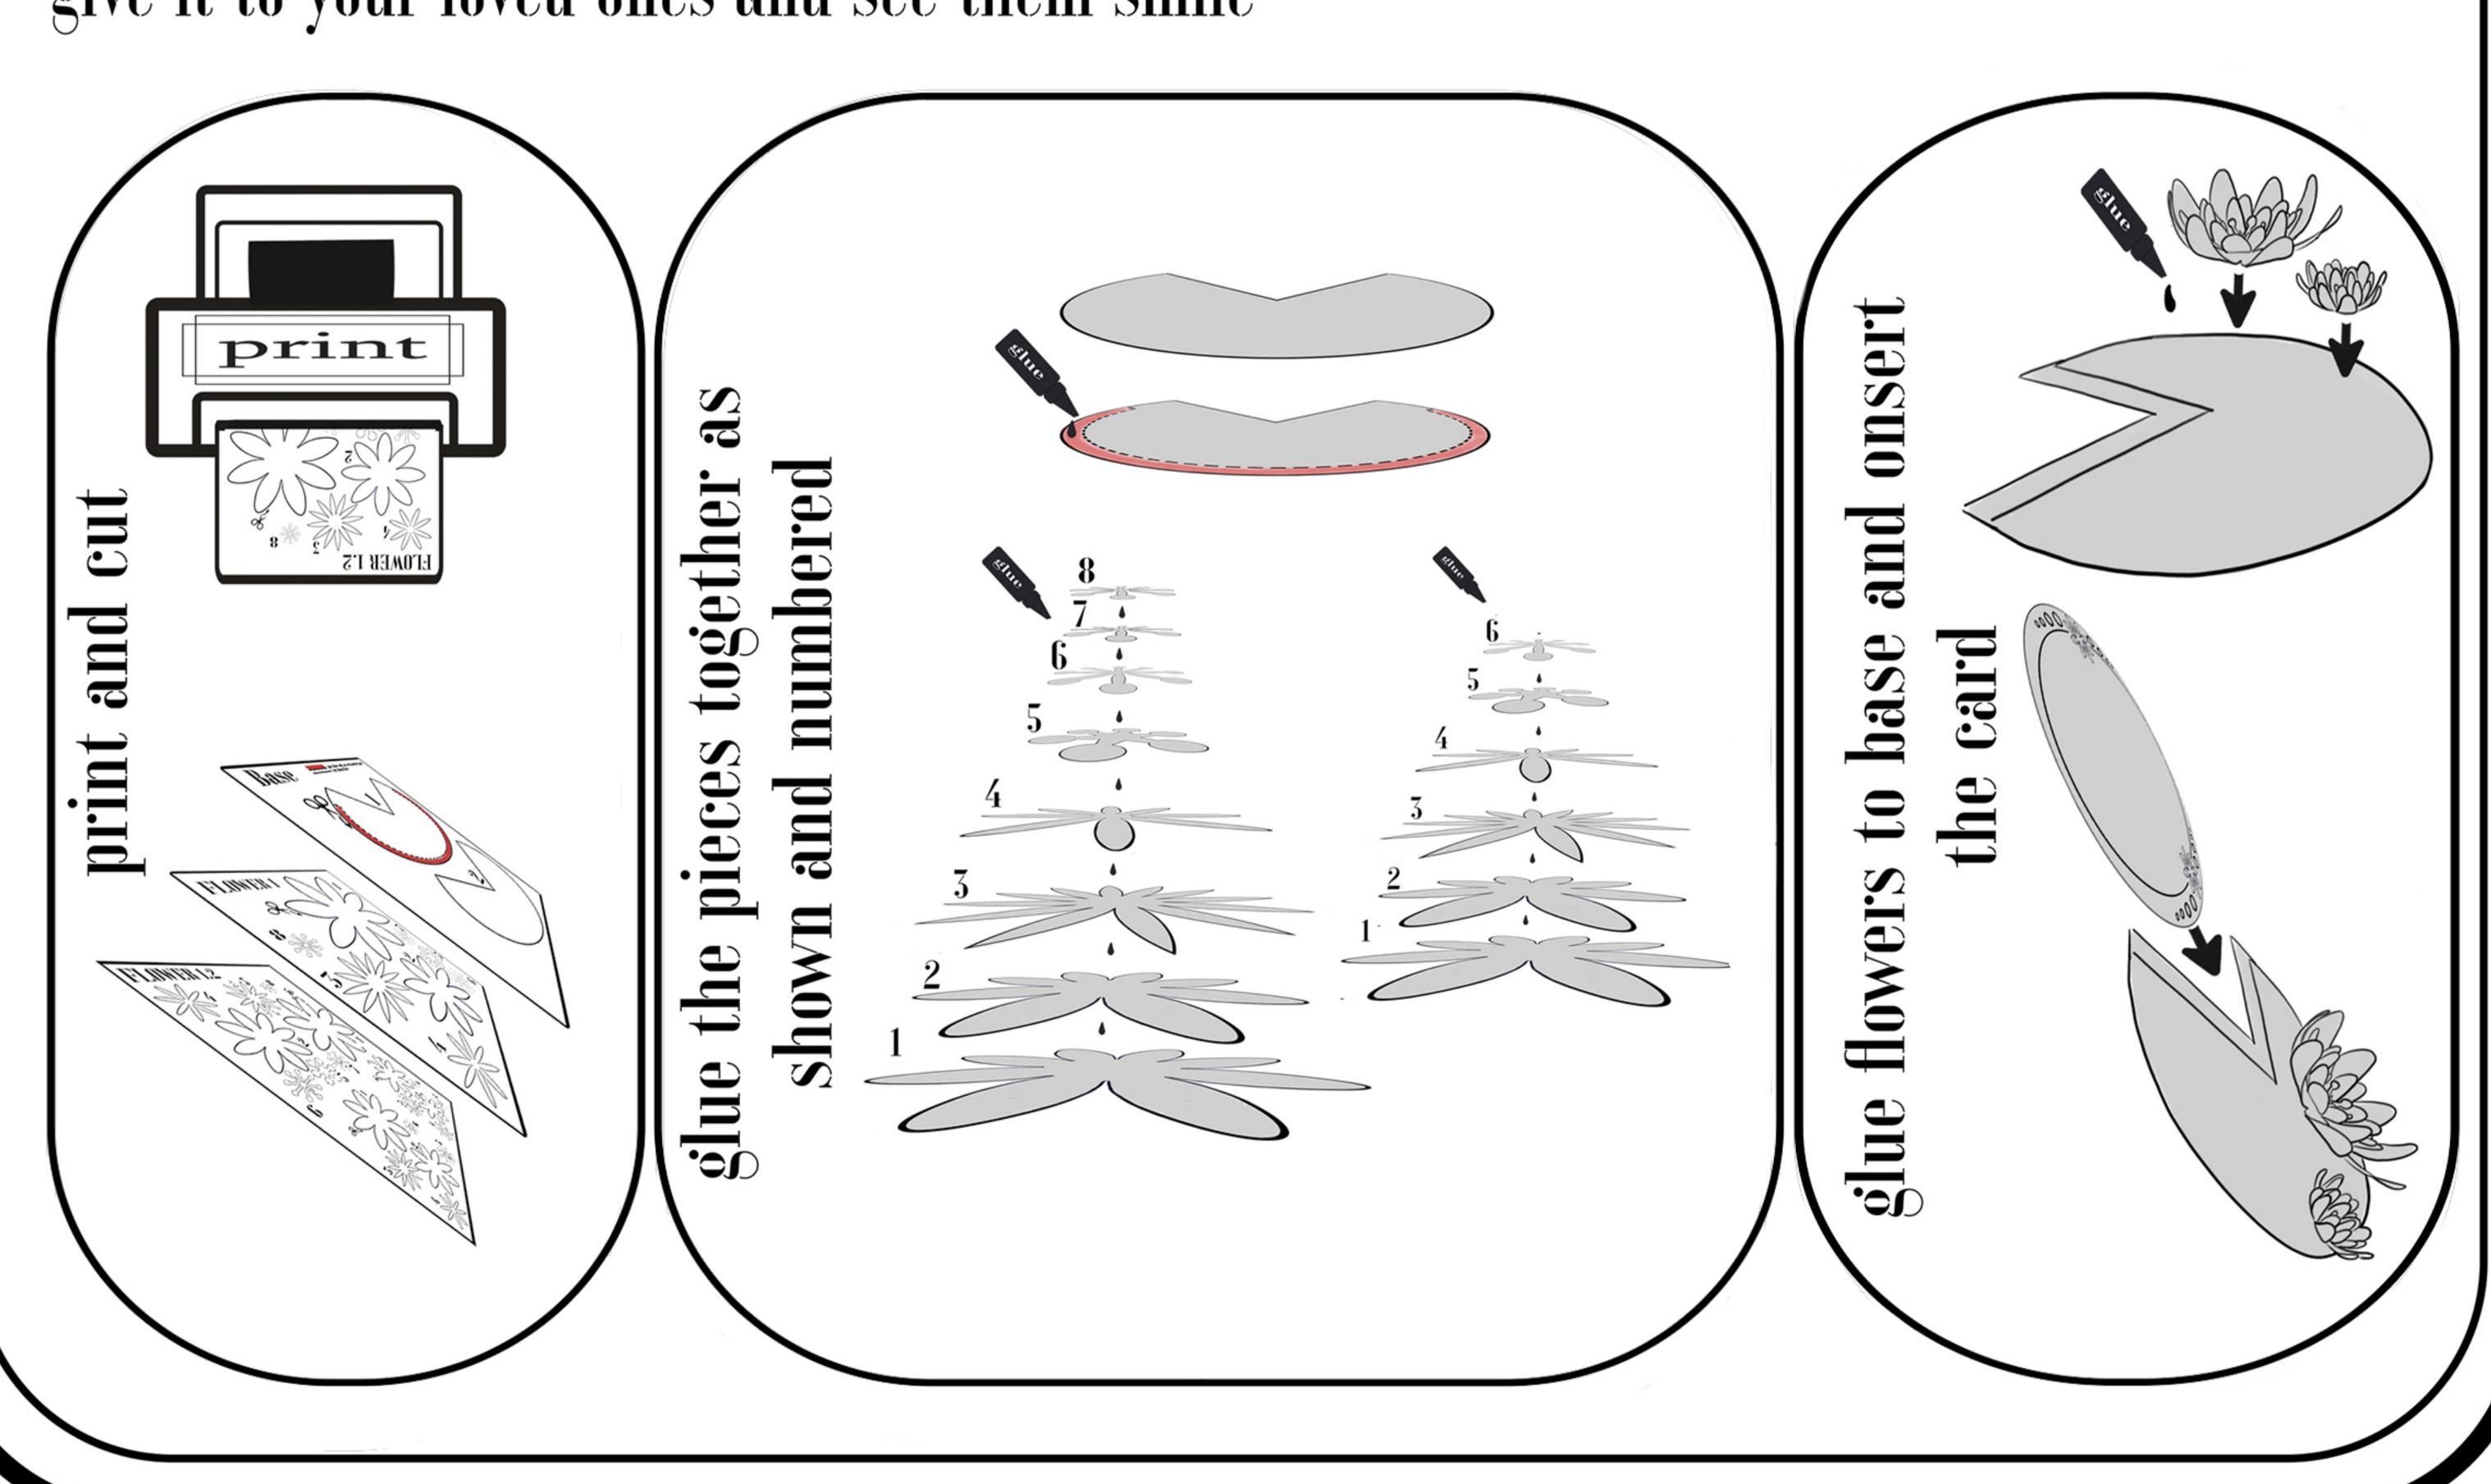

What you need:

- paper of your choice [recomended: thicker paper, at least 160g in case that you don't have thicker paper you can glue a few together]
- SCISSOI'S
- glue
- printer

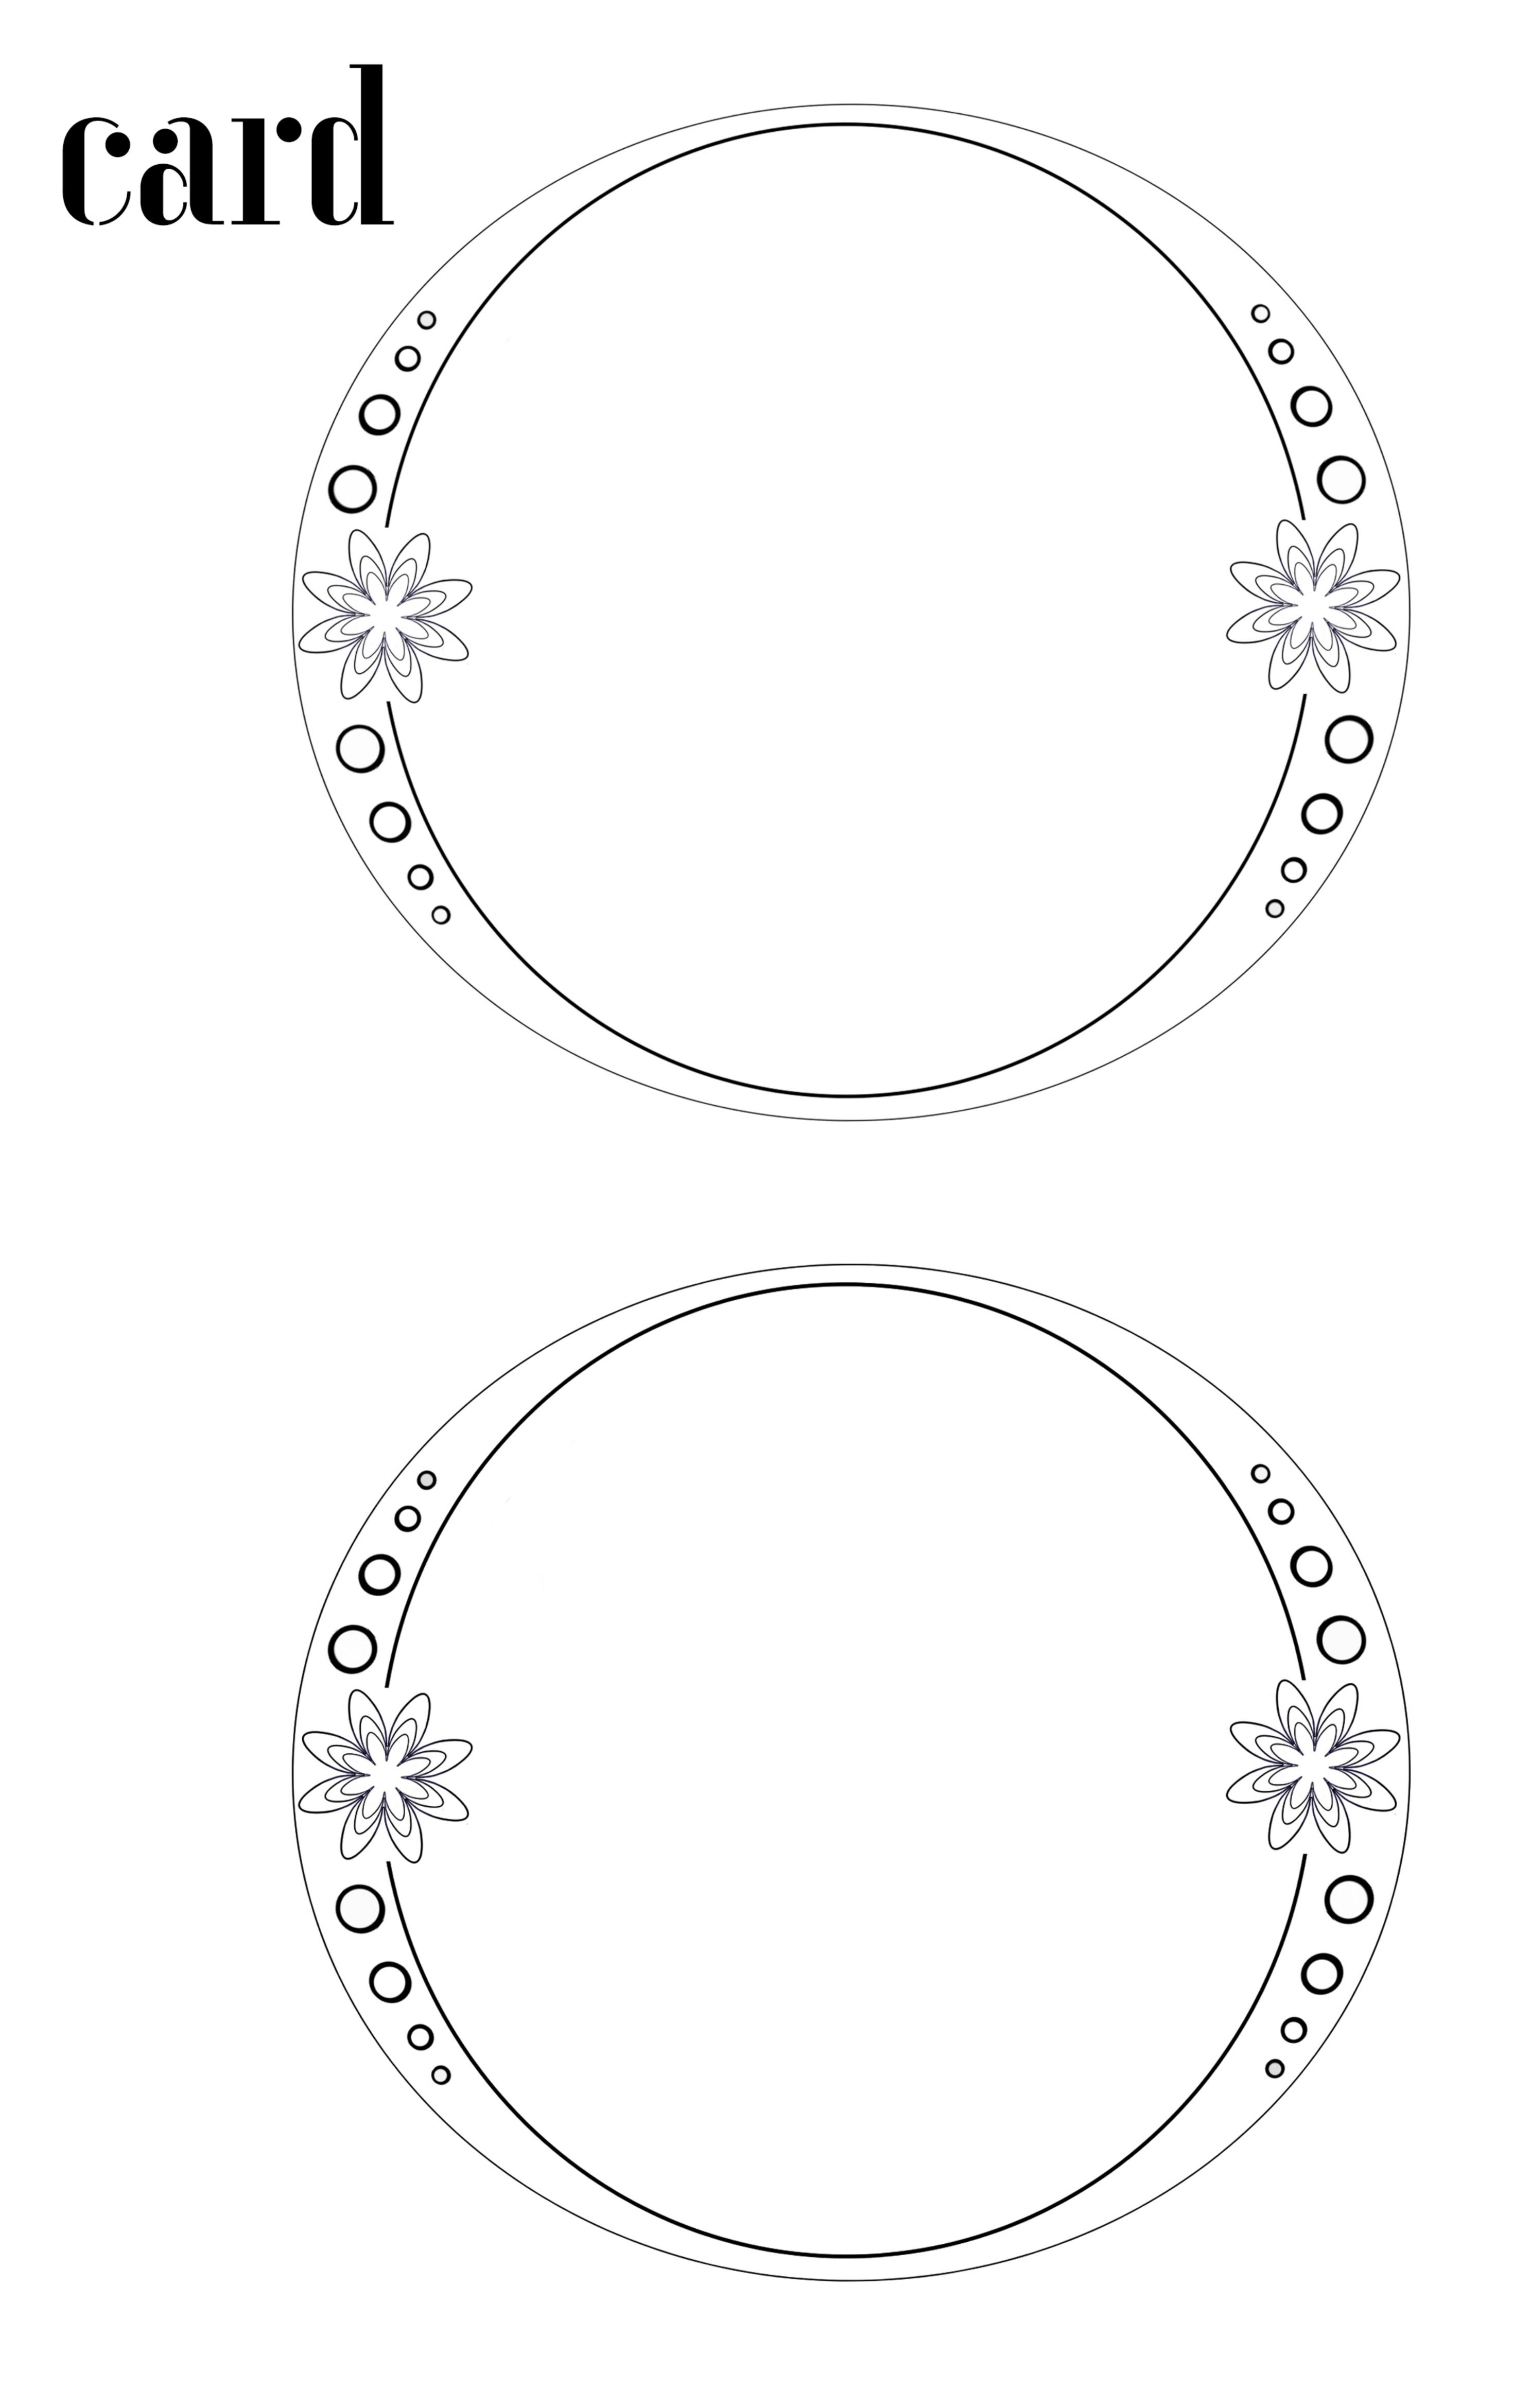

optional: colors of your choice, if you want to paint them

What to do:

- print out the flower templates, the base template and the card template on your paper of choice [it can be white paper or colored paper]
- optional: color the flower and the leave
- cut the pieces out [take your time with the smaller pieces]
- -glue the flower pieces together with nr 1 at the bottom (see image)
- -gglue the base together as shown (only put glue on the edges where it is marked)
- -glue the flowers on top of the leave
- -write your message on the card
- -put the card in
- give it to your loved ones and see them smile

put glue only on red marked part cut along line
